Pursuant to Paragraph 118 in the Consent Decree for Remedial Design/Remedial Action (RD/RA) for the Chemical Recovery Systems (CRS) site, this letter is to advise you that there has been a change in project manager. Effective immediately, Ms. Michelle Kerr will be the U.S. EPA Remedial Project Manager for the CRS site. Her contact information is below.

It has been a pleasure working with you and the rest of the CRS Group. I'm sorry that I won't be able to see the cleanup through to its completion, but I will be available to assist Michelle Kerr while she begins work on the site.
